

List of Wedding Songs

Here is a list of some of the songs I play for weddings, however my repertoire is not limited to the songs on this list, as I know many other songs, and can learn additional songs, if needed. My goal is a happy Bride & Groom, so I will always do my best to accommodate your wishes.

Final Note

For most weddings, I recommend a selection of classical pieces for the Prelude (while your guests are being seated). If you don't have a specific piece in mind for the seating of the parents, I can continue with classical selections. You'll want to select Processional & Recessional pieces, & if needed, music for Unity Candle, or other special music. Of course, you are welcome to come hear me play before you make any selections!

For Receptions, cocktail hours, & dinner events, I play a big mix of Classical, Rock, Jazz, & a variety of other styles. If you don't see the pieces you want on this list, please let me know & I will add them!

I can also provide additional musicians: Flute, Violin, Cello, Viola, Bass, Trumpet, Oboe. In most cases, all of the above pieces will still be available, plus additional pieces that I play with specific combos, for example, with flute I include:

<i>Intermezzo from Carmen Suite No. 1</i>	<i>Bizet</i>
<i>Pavane</i>	<i>Faure</i>
<i>Meditation from Thais</i>	<i>Massenet</i>
<i>Ave Maria</i>	<i>Caccini</i>
<i>...and many other pieces...</i>
